Yammer overview

# EMPLOYEE DIRECTORY POWELL 365

## FIND THE EXPERTS

Find others by searching the name, refining results by expertise, job title, etc.

- Explore the Employee profile stored in Microsoft Active Directory, SharePoint or Delve
- Refine by Department, Job Title, etc.
- View Org Chart
- Explore latest documents

The screenshot displays the Powell 365 Employee Directory interface. The top section shows search results for 'Alexandra Bouvier', with filters for Mono Choix - Heading 3 and Multi Choix - Heading 3. The results are displayed in a grid of cards, each showing a profile picture, name, department, and contact information. A detailed profile view for Alexandra Bouvier is shown on the right, including sections for About me, Projects, Skills and expertise, Organization, Personalised, Interests and hobbies, and My documents. The bottom of the interface shows a grid of document thumbnails, including 'All-matheson-CaseStudy-FR', 'Powell\_software Suite', 'SNCF-case-Study-FR', 'Sanned SPNA 2019 List', 'PLANNING\_EXP ERTIME', 'Conference Call G+D and Powell', and 'Conference Call G+D and Powell'.

# PERSONALIZED EXPERIENCE POWELL 365

## TARGETED CONTENT
